COLLECTION GUIDELINE

Collection of materials will be made by Section according to the Borough of North Plainfield Collection Map. We are limited to the amount of stops per collection; therefore, it is on a first come, first served basis. Collection of materials will be random within each section; therefore, material must be placed at curb by 7AM on the assigned collection date. It is important that all materials be out by 7AM because collection moves quickly and your Bulk Waste will not be picked up if you do not have materials curbside prior. Please note that Bulk Waste pickup does not include metal. This is a separate pickup. Any unauthorized materials left at the curb in excess of the number of items scheduled and/or do not qualify for bulk waste pickup, must be removed by 6PM of the day collection is made. Failure to comply will be subject to the provisions of Section 14-8.5 of the Borough Code.

Somerset County holds several recycling events each year for different recyclable materials. For more information on these recycling programs, visit their website at <http://www.co.somerset.nj.us/recycle> or call the Somerset County Recycling Center at (732) 469-3363.
